

Master+

in Banking and Finance

Faculté de Droit et
des Sciences
Économiques

Presentation

The Master+ program in Banking and Finance is a unique opportunity to follow a standard Master program combined with a specific training delivered by a well-established research center (LAPE) dedicated to banking studies.

Teaching staff are active scholars in Banking or financial risk practitioners. The program also hosts international visiting professors who are leading experts in their field.

The master is a one-year program **fully taught in English**. Applicants must provide satisfactory evidence that they have an adequate knowledge and understanding of written and spoken English.

Entry requirements

We welcome applications from good graduates in relevant disciplines (Economics, Business Administration...)

Applicants with a different academic background (Engineering, Mathematics...) will be required to provide additional material regarding their background.

60 ECTS crédits / 2 Semesters

How to Apply

The duly accomplished application package must be submitted through E-Candidate procedure:
<https://ecandidat.unilim.fr/ecandidat>

Special point

Applicants from a country using the CEF procedure (<http://www.campusfrance.org/en/page/a-country-using-cef-procedure>) need to apply only through CEF at the French embassy (campus France office) by mentioning that this is a totally English-taught program (French test not required).
